

INITIAL ERD:

REASON FOR CHANGES MADE:

In our Initial ER diagram, we mentioned the TRANSPORT FACILITY entity which was redundant due to the REQUEST entity and was unclear to understand so we removed it from our final ER diagram as discussed with the professor. Also, we made a change in the EXAMINATION and REQUEST entities relationship from one-to-many to one-to-one as in our case we are making the Organ REQUEST based on one Recipient's EXAMINATION.

FINAL ERD:
